How I lost my lesbo virginity

My first taste of pussy – well, that'll be just over a year ago. A big group of us had gone down to Bournemouth for a week in the summer. We stayed at this campsite and went to the beach every day and on the piss every night.

"I started bringing myself off as I looked at my pals getting it on"

Anyway, after one boozy night I got back to my tent only to find two of my mates, Mark and Suzie, in there. I bundled in pissed up and jumped on top of them. They were both wedged in the same sleeping bag naked and looking a bit flushed.

"Don't mind me!" I said as I rolled off them. They were dead drunk, too, and they weren't shy so they started kissing again. Mark started to caress Suzie's small, firm tits. I was getting very turned on watching them, illuminated by the powerful strip-light on my torch. My pussy was aching for some attention, so I slid a finger between my legs and started bringing myself off as I looked at my friends getting it on.

Then, wanting something more but not knowing quite what, I slowly began unzipping the sleeping bag Mark and Suzie were in. They made no attempt to stop me and they didn't stop on each other either. The zip came all the way down, slowly revealing more and more of Suzie's milky white body as she lay on top of Mark.

Her round bum came into view and I could make out the mound of her shaven pussy between her legs. I zipped the sleeping bag right open and pulled it flat so they were lying on it like a blanket. Suzie was lying on top of Mark with her tits in his face, and he was sucking them noisily.

Suzie's soft white skin and firm arse looked so appealing, I couldn't help myself reaching out and stroking her, still playing with my cunt with the other hand. My finger traced all the way down her back and between her arse cheeks till I found her warm, moist pussy. I opened her lips and slid a digit inside her cunt. I'd only ever done this to my own pussy before.

Then Suzie turned her head to me, Mark still sucking her tits, and started snogging me. I shuffled right up against the two of them and started to finger Suzie more vigorously, shoving two fingers up her soaking cunt hole. She was going wild with lust.

Then she got off Mark and went down on

"We all go a little mad sometimes..." Norman Bates was a psycho all right, but wearing your mother's dressing gown and stabbing nubile young women seems pretty tame when you've witnessed the inside of Tanya Hyde's fruit cellar in this Harmony release. We enjoyed Hitchcockian suspense in our banjo-string watching Paige Turnah (of this parish) in the gyno chair and Megan Coxxx sucking dick through a Bates-like peephole but spilt our sauce (shower scene style) watching Scarlett March and pal going mental on the factory floor.

me. Her wicked tongue did amazing things to my cunt and she soon made me cum while Mark watched and wanked. Suzie licked up my juice and kissed me so I could taste it.

Sensing it was my turn, I went down between Suzie's legs. I kissed all the way down her stomach till I got to her pussy. Tentatively I licked her pink crinkly slit. It tasted sweet and felt sexy. Getting into it, I strained to push my tongue deep in her cunt, and I nibbled her puffy lips. Then I spread her lips and licked all round her clit with my tongue

"I strained to push my tongue deep up her"

To my delight, I made Suzie cum after a few minutes. Just as I was gulping down her juice, I looked up to see Mark's face screwing up and his big purple cock shooting its sticky load into Suzie's face. It was a thoroughly horny experience to lick up her hot fragrant cum and watch her swallow Mark's dripping spunk at the same time.

The next day we got the piss ripped out of us for making such a racket, but that didn't stop us doing it again the night after and the night after that – and I've been into girls ever since!

Real smut from the Razzle sack!

Be in my little black book...

At the moment I am going out a lot, pulling fit young men and having no-strings attached sex.

A few weeks ago I had a particularly unexpected bit of luck. I was at the library of all places. I was settling down with a couple of textbooks (swotting up for my evening classes in French) when a good-looking guy sat at the desk opposite me.

I tried to concentrate on my work, but I kept getting distracted, imagining him doing rude things to me. I kept glancing up at him over my book, studying his face and envisaging what he would look like naked. The next time I peeped over my book at him, he was doing exactly the same thing. We both hid behind our books immediately, and I was really embarrassed.

I felt stupid for behaving like a schoolgirl, but I also felt a little hot under the collar. It was a turn-on to be flirting with a stranger like this in a public place. Feeling decidedly horny, I rearranged my legs so my skirt rode higher up my thigh, giving him a good eyeful of my firm, tanned thighs. If he was lucky, he could get a glimpse of my skimpy knickers up my skirt.

He had another sly peek round his book, and his face lit up when he saw what I had on show. Obviously deciding I was buried in my books, he changed his angle so he could have a good ogle while still seemingly reading his book.

I could sense he was staring at me and I rubbed my legs together seductively, feeling the first traces of moisture gathering in my pussy. I eased my legs wider apart, allowing him to clearly see my panties. Then I slid a hand down my thigh and inched it up my skirt.

I slowly moved my hand towards my hot pussy and started to rub my lips through my panties.

At this point I put my book down and looked the bloke straight in the eye. He was shocked at first, but it slowly dawned on him that I was doing it for his benefit. I kept looking at him as I spread my legs further, pulled my panties to one side and slid a finger inside my cunt.

He kept shifting in his seat as he watched me finger myself, trying to contain the hard-on that was straining through his jeans. I frigged myself faster, excited by what I was doing. I was close to cumming, but I knew if I did that I would make a noise and everyone would clock me. I was incredibly turned-on and nothing was going to stop me from getting my rocks off.

"His long fat cock disappeared up my soaking wet cunt"

So I pulled my panties back across my cunt, rearranged my skirt and got up. I winked at the guy before turning my back on him and sauntering towards a private study room. I opened the door to check it was unoccupied, and I saw his reflection in the door window, lurching after me on three legs.

I pulled him inside the room and slammed him back against the door, grabbing his cock and shoving my tongue down his throat. He responded equally frantically, mashing my tits and grabbing my arse. We couldn't get each other's clothes off quick enough. All the tension of our scene in the silence of the main library exploded into passion.

I pulled his shirt up over his head while he unbuttoned his jeans. My top and bra were

"He fucked my wet mouth with abandon"

thrown to the floor and he sucked and bit my nipples like an animal. I got on my knees and yanked his jeans and boxers round his ankles. His cock was big, hard and veiny, with a drop of pre-cum glistening at the helmet. I gobbled it down, wanking his shaft desperately and pecking at his cock like a woodpecker.

He grabbed the back of my head, holding it still while he thrust his dick in and out of my gob, fucking my wet mouth with abandon. I thought he was going to cum down my throat, but instead he pulled out and bent me over the desk.

He fingered my juicy cunt roughly, spread my flaps and guided his bulging helmet to my entrance. Once he'd nudged the head in he thrust the rest in quickly, knocking the wind out of me.

I gasped with the sudden pleasure, and backed onto his cock as far as I could. He slid in till only his bollocks were visible. Then he pulled right out again and slammed it up me once more. He kept fucking me with long deep strokes, quickening the pace each time.

Soon he was pounding in and out of me, his long fat cock disappearing up my soaking cunt time after time. I was so horny – I felt like such a slut being fucked over a desk at my local library while in the next room people were reading a load of boring books! I felt an orgasm welling up inside me, and the guy had to clamp his hand over my mouth as I moaned and came on his cock.

My cunt and tightening around his cock sent the guy into overdrive, and he pumped his salty seed into my cunt where it mixed with my love juice.

He pulled his cock out and I sucked the mingled juices off it and licked up the streams that had trickled down his balls and thighs.

It was a fantastic unexpected, spontaneous, filthy fuck. We sorted ourselves out and went straight from the library back to my place for a much longer one.

Boss man Al is having financial problems with his business and realises that he had no option but to lay off one of his workers.

He narrows his choice down to two candidates — Jack and Eva. As they are both equally qualified, he decides to interview them both and then let one of them go after he's heard what they have to say for themselves.

He calls Eva into his office first. "I'm afraid I have some bad news," he tells her, "I'm going to lay you or Jack off." She stares at him for a moment and then sighs, "Well, can you jack off then, please? I've got a bit of a headache."

SOME GUY ARRIVES HOME REALLY LATE ONE NIGHT, SO HIS WIFE ASKS HIM WHERE HE HAS BEEN. HE REPLIES THAT HE HAS BEEN GETTING A TATTOO. SHE DEMANDS TO KNOW WHAT SORT OF TATTOO AND HE TELLS HER THAT HE HAS HAD A FIFTY-POUND NOTE INKED ON HIS PENIS. HIS WIFE IS OUTRAGED AND DEMANDS TO KNOW WHAT HE WAS THINKING OF. THE BLOKE SMILES AND REPLIES, "IT'S VERY SIMPLE. FIRSTLY, I LIKE TO WATCH MY MONEY GROW. SECONDLY, I'VE ALWAYS ENJOYED PLAYING WITH MY MONEY. THIRDLY, I LOVE HOW MONEY FEELS IN YOUR HAND. AND LASTLY, INSTEAD OF GOING OUT SHOPPING, YOU CAN NOW STAY RIGHT HERE AND BLOW FIFTY QUID ANY TIME YOU WANT."

An elderly gentleman goes to see his doctor and asks for a prescription for Viagra pills. The doctor replies, "No problem, how many doses would you like?" The man considers for a moment before saying, "Only a couple, thanks Doc. Maybe four tablets, but each one cut up into four pieces." The doctor looks surprised, "That small amount won't do you much good, Sir!" The old man smiles and says, "Well, that's OK - I'm over 90 years old so I don't need them for sex now. I'd just like it to stick out far enough to stop pissing on my shoes."

KITTEN

True Con

When Sonja says she doesn't need you to buy her a drink, don't mean she ain't thirsty...

Last week I had to stay late at the office and finish some work, as I had deadlines looming. All my mates were already out on the town so I knew that as soon as I joined them, I'd have to play catch up. I rushed through my last few bits of work, turned off the computer and ran down the stairs, desperate to get out of the place and start my weekend.

Normally I would go home, have a shower, get changed and go back out but I'd had a stressful day and all I wanted to do was get hammered, so headed to the pub in my suit, straight from the office. As I guessed, all my mates were already drunk, getting lairy and trying their luck, loudly, with anything that moved. I took a seat at the bar and looked on as they attempted some of the worst chat-up lines I have ever heard. I felt embarrassed for them, and sat there cringing at the bar.

That was, until a sexy-as-fuck babe with straight reddish hair came up to the bar, ordered a straight whiskey and smiled at me.

She spoke first, and when the first thing out of her sexy mouth was, "I love a man in a suit!" I instantly knew I was onto a winner. We chatted for about an hour, and I tried to charm her, telling her about how I'd always had a thing for cute redheads, asking her questions about herself and flirting subtly. I thought she definitely seemed interested, but nothing could prepare me for what came out of her gorgeous mouth next!

I was blathering on about famous redheads, when she put her had over my mouth, and shushed me. I was a bit taken aback, especially when she looked me in the eye and bluntly told me, "I want to fuck you. Now." Even if her hand hadn't been over my mouth, I would still have been left speechless! I thought I'd have to buy her a few more drinks at least to maybe get a cheeky grope of her tits, but she was already horny as hell and wanted me that very second, apparently. Bloody hell, my luck was finally in!

I went down to the unisex toilets first, then a few minutes later she followed. As soon as I opened the cubicle door to her, she was all over me, kissing and biting my neck, pulling madly at the buttons on my shirt. I didn't have a chance to do anything – she already had my trousers around my ankles and was pushing me down on the toilet seat.

She slid up her tight skirt, pulled her underwear to one side and stood over me, angling herself to take all of my rock hard cock. Then she lowered herself down on top of me, slowly taking every inch inside of her wet cunt. She felt so fucking tight; it was a relief, and a bit of a surprise, that I didn't blow my load instantly.

"She rode my stiff cock while trying not to moan!"

fessions!

Soon, she was bouncing up and down on me, her big tits flopping out of her top as she did. I grabbed onto one of her hard, pink nipples and pinched it as she continued to ride my stiff prick, trying her absolute best not to moan, aware that people were in the cubicles either side of us, this being a busy bar. I felt her shudder and spasm as she came, burying her head in my neck as her juices ran down my cock and over my balls. As her muffled groans grew quieter, I knew it was my turn.

> “I pumped her mouth with my swollen prick”

Grabbing her by the hips, I pulled her off my throbbing cock and turned her around. I whispered in her ear to, “bend over and grab your ankles.” Just as she clasped her fingers around her slender ankles, I slid back into her moist cunt, made easy by her slick, wet pussy. Wrapping my hands around her waist, I started banging her hard, her body at the perfect angle to push my big dick all the way in. Every now and again, she’d let out these cute little whimpers and moans, especially when I fucked her a bit faster and deeper. It was amazing to see my entire length disappearing inside this tall, fiery, redhead that I didn’t even know.

Pulling out of her, I stood up and told her to face me and sit on the toilet. She did as she was told and just as she looked up at me with those big blue eyes, I pushed my cock between her lips and came hard. I pumped her mouth with my swollen prick, rubbing it over her tongue and lips until I was completely finished. Like a porn star, she swallowed every drop, licking her lips and smiling at me like a Cheshire cat.

We both quickly tidied our clothes and waited until the coast was clear before we left. As we stepped out of the toilets, she kissed me on the lips and told me her name was Sonja. The taste of my salty cum mixed with her strawberry lip gloss.

I went to the bar for a drink before rejoining my mates. I didn’t bother bragging about it, as I knew none of them would believe me!

JASMINE

With boobs you can see from space, Jasmine (21) gets plenty of attention. "I love to wrap my tits round big fat cocks and pump them till they spurt!"

DIRTbag

Real smut from the Razzle sack!

Why being a single girl means twice the fun of fucking...

Yes, I'm seeing lots of people, but usually only for one night at a time. I don't have a boyfriend if that's what you mean.

I'm single for the first time in ages, and I'm loving it. I'm taking the opportunity to experience all different shapes and sizes of cock, and as many of them as possible.

Recently I copped a load of a real whopper. I was at the local swimming pool doing lengths with my friend Claire. While we were resting against the side of the pool, Claire suddenly nudged me and pointed out a bloke getting in at the other end. "Fuck me blind, look at the size of that thing!" she said.

The bloke was wearing tight Speedos with a huge dick crammed inside them. The shape of his long, thick knob stood out for all to see.

I kept an eye on him and as he was getting out I started to chat him up. I hung on to the side of the pool, giving him a good view of my cleavage. I found out his name was Nick and told him to be in the Queen's Head that night if he wanted his dick sucked. He was pretty cocksure, which I liked, and told me he'd see me there at 9 o'clock for a blow-job.

When I was getting changed I had to slip into the loos and bring myself off at the thought of having that cock down my throat later on. In fact I thought about that monster dick all day until later on when I saw Nick in the Queen's Head.

He was out with a load of mates when I spotted him from the bar. I went over to him and squeezed his bollocks from behind. He was a bit surprised, and so were his mates, but when he turned around he realised who it was and smiled. "Don't you owe me and my cock a sucking?" he said, winking at his mates.

I just grabbed him by his dick and led him off towards the toilet. His mates were pissing themselves laughing, but I could feel his knob swelling in my hand. I took him into the ladies' loo. It was pretty busy but nobody batted an eyelid as I pushed him into a cubicle, followed him in and turned to lock the door.

When I turned back round he already had his trousers round his knees and he was stroking his cock. It was a true giant, and still growing before my eyes. I threw myself to my knees in front of him, worshipping his manhood. I opened my mouth wide and lowered it over his helmet and down his shaft.

I took as much down my throat as I could and then started to bob my head up and down over his cock. He held the back of my head and sighed, savouring the feeling of his dick sliding deeply in and out of my mouth. Finally his cock stopped expanding. When it was fully erect it was almost as

thick as my wrist.

I grabbed his shaft in one hand and started to jack him off. As I pulled him off I licked his bell-end, darting my tongue out to tease his hog's eye and shiny helmet. Then I nibbled all the way down his shaft and started on his balls. I took one of his meaty bollocks fully in my mouth and feasted on it, still wanking him off with my hand.

Then I wriggled round so I was lying on the floor propped up against the toilet. I had my head thrown right back and my mouth wide open. This allowed him to stand over me and feed his knob into my mouth and down my throat. I love giving deep-throat, but I wasn't sure if I could swallow a cock this big.

Slowly he eased his dick into my mouth, pushing in little by little until his big hairy balls were resting on my chin. I couldn't believe I'd managed to take his entire cock down my throat, and nor could he judging by the grunts and moans he was letting out. He started to slide his cock in and out.

I just lay back and kept my mouth wide open, concentrating on my technique and letting him just fuck my mouth. He was thrusting quite frantically now, his heavy balls slapping against my chin and bouncing around like basketballs. I just held onto his thighs and waited for the spunk explosion I knew was coming.

"He eased his dick into my mouth till his big hairy balls were resting on my chin"

Sure enough, he told me he was going to cum. His nutbag tightened and his cock spasmed as he fired his first shot right down my throat. He fired another big globule of jism into my mouth before pulling his cock out and wanking over my face. I juggled his balls while he wanked his shaft, sending load after load of warm sperm over my face.

I took a load in my mouth and the rest over my face, chin and neck. When he'd finished, I took his cock in my mouth once again, coaxing the remaining drops of spunk out of his bollocks.

Then I pulled his trousers up, zipped his cock in and showed him the door. I cleaned myself up at the sink, put a bit of make-up on and went back out to join my friends. My only regret was that I never got to feel that big cock in my cunt - it was even bigger than my biggest dildo, so it would have been a new sensation for me!

AMOUR HOLLYWOOD HOUSEWIFE KIT

Has the wife let the house go to shit? Is she claiming to be "too tired" after Crimbo to get the Dyson out? Well, this ought to encourage the lazy bint and get you a little something too. Accompanied by a stretch-to-fit G-string with feather accents, an eye mask adorned with feathers and a matching fluffy feather boa, it's not a bad price. The Hollywood Housewife may not transform your Mrs into Sharon Stone, but it might stop Kim and Aggie banging down your front door. Plus you'll get an extra-good view as she tackles those dusty skirting boards.
Available from www.sextoys.co.uk for £23.95

Desensitizing Anal Wipe

Pack of three wipes that ensure your bum is nice and clean and ready for entry. Singly wrapped and fragrance-free (mind you that may not always be a good thing when it comes to arse matters) and for those with a sensitive crack, they are PH-balanced for your comfort. If only the cock that's about to shoot up there was too! For those who like a bit of a bumming these are as essential as a condom.

GLASS VIBRATIONS DRAGON DILDO

I'd find it hard to believe any woman would not be thrilled to receive this super-pretty prick stand-in. Not only is it beautiful to look at – it feels divine as well. The glass nodules have been designed by someone who knows what they are doing, as they hit the spot, every time. The loop at the top forms a perfect grip, allowing you to control it deftly to suit your pleasures. I was given the tip to run it under warm water (or you can cool it the same way with cold water) for extra va-va-voom which made it even more glorious to use. It doesn't vibrate, but to be honest, it's designed so well it does not need to.
Available from www.sextoys.co.uk for a very reasonable £26.95

LOVE TO LOVE GIRLS DON'T CRY SENSUAL AFTER SPANKING CREAM 50ML

The only reason I wept after my last spank session was the realisation I've spent the last ten years being spanked without this cream. What took you so long, folks? Perfect for when your bum is a bit too raw post-spank. Feels really smooth and soothing when you smother your glowing cheeks.
It really does sort you out good and proper. Anyone who enjoys a bit of a bum going over will automatically add this to your essentials list and wonder how you used to sit down the next day without it.
Available from www.lovehoney.co.uk for £14.99

LUCKY FUCKER!

KATE & MERLIN

My partner and I have always enjoyed an extremely active sex life, so I was more than a little put out when he had to move away to work for a few months. During this time I was restless and horny, so I got more than a little acquainted with my vibrator – and I even went so far as to order some sex toys from a mail order company, something I'd never done before.

The delivery arrived a few weeks later. I was excited by the thought of what was inside the parcel, but was even more excited by the deliveryman. He was tall, redheaded and handsome – very sexy!

"With the plug up my arse and the vibrator screwing my pussy, it wasn't long before I came – hard"

The delivery guy soon became part of my sex fantasies, particularly when I was playing with my brand new butt plugs. Hoping to see him again, I went back online and ordered more stuff from the mail order catalogue. I kept an eye on the progress of my order, and when I was informed of the date the packages would arrive, I began thinking up my plan of attack.

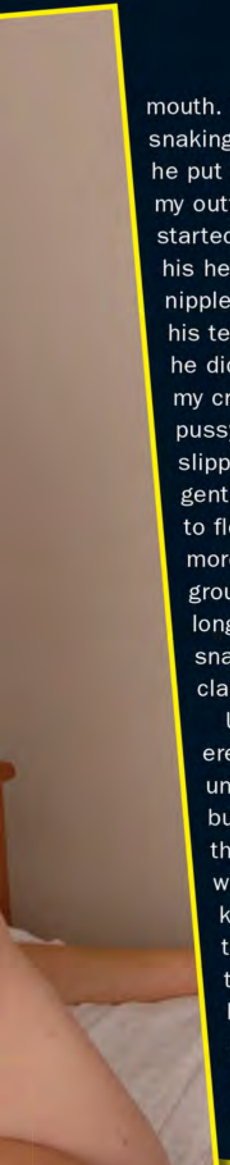
The morning the delivery was due, I took the time to dress up in a sexy PVC lace-up basque, elbow length gloves and sexy boots. A bit OTT, I know, but I was determined to have this gorgeous man and wanted to make sure he got the message instantly.

While I waited in the living room I began fingering myself, which inevitably led to me using my vibrator, and before long one of the butt plugs had come into play. With the plug up my arse and the vibrator screwing my pussy, it wasn't long before I came – hard.

I was lying there, knackered and trying to catch my breath, when there was a knock at the door. After a second of panic, I felt a flutter of excitement, wondering how the delivery guy would take to my look – surely he'd get the hint?

I needn't have worried - his eyes nearly popped out of his head when he saw me. He looked me up and down, his eyes lingering on my wet and shaven pussy. When he handed me the parcel I didn't say thanks, just motioned him into the house. Strangely, I didn't need to ask him twice!

Following me into the living room, I motioned for him to sit on the sofa, and before he could say anything to ruin the moment, I straddled him and started to kiss him on the



mouth. Kissing me back, his tongue snaking it's way between my lips, he put his hands down the front of my outfit and pulled out my tits. He started to rub my big globes, lowering his head and sucked my stiffening nipples, lightly catching them with his teeth and making me gasp. As he did this, his hand moved down to my crotch – roughly rubbing my entire pussy and tweaking my clit before slipping a finger inside me. He went gently at first, making my juices start to flow, then slowly eased more and more of his fingers inside me, as I ground my hips against them. Before long he had four fingers inside my snatch, and his mouth was still clamped around my boob.

Underneath me, I could feel his erection bulging through his navy uniform trousers. Cupping the hard bulge with my hand, I rubbed roughly through the material, feeling exactly what he had to offer. I sank to my knees, pulling his cock out of his trousers. I flicked my tongue over the tip and licked down his length, helping him out of his trousers as I did so. Wrapping my lips around his end, I engorged his girth with my mouth, sucking long and hard as I did so that his tip hit the back of my throat, making me temporarily gag.

He leant back in the sofa, and I moved my mouth down, over his balls, sucking and playing around with my tongue. He was moaning so I knew he was enjoying it, but I wanted to see how kinky he was, how far I could go with him. Tentatively, I moved my tongue round up to his arsehole, thinking that if he flinched, I'd go back to his dick, but he didn't – instead he spread his legs wider so I

could get a better angle. I licked him whilst my hand felt around for my previously discarded butt plug. He watched me, smiling naughtily, as I moistened it with my spit, before gently pushing it up his arsehole, listening to him moaning.

Once it was inside him, I moved my tongue back around to his cock and started to suck it again, rougher than before, using my hand to wank his length as my lips swallowed and released it. It didn't take long – just a couple of minutes of this technique and I felt his hot jizz suddenly hit the back of my throat. I licked his spunk clean off his cock, smiling up at his gorgeous, sweaty face, which was looking like the cat that got the cream.

I offered him a coffee – although I made it clear that this wasn't the end of the party, but more of a chance for him to catch his breath – and went to through to the kitchen to make it.

After filling up and putting on the kettle, I was surprised to feel him standing right behind me. Turning me around in silence, he lifted me easily up onto the worktop and pulled my legs apart. Holding them there, he pushed his head between my thighs and started to lick my clit. I put my legs around his neck, pulling him closer, feeling his fat tongue slipping in and out of my snatch.

From the slurping noises he made and the expert touch he seemed to have, it was obvious he loved to lick pussy, so I closed my eyes and enjoyed it as he lapped me out and every so often paused to suck my clit, sending shivers through me.

After a while, he stopped licking, and lifted me off the unit, carrying me in the living room. Dropping me gently on the floor, he didn't miss a beat, pushing his way between my legs, his cock instantly finding my dripping hole.

He fucked me roughly from the off, making me squeal with pleasure as he moved my legs up on to his shoulders.

"I came really hard, screaming as my juices gushed out around his thick member"

The harder and faster he pushed into me, the wetter and more swollen my cunt became and the more I screamed out in delight. I didn't want to seem to wrapped up in my own pleasure though, so I reached round and kneaded his balls as he screwed away.

Moving me in and out of several positions as he fucked me like a true cocksman, he spanked my arse and my clit, bringing me to the verge of orgasm again and again.

Eventually, he pushed me on all fours, grabbing my vibrator from beside the sofa as he did, and began using the vibrator to frig my clit. With his other hand, he smeared my juices over my arsehole, before driving his cock inside my back passage. I could barely catch my breath, the pleasure was so intense, and I felt like I was going to explode.

Moving the vibrator into my pussy, he started to push his cock slowly in and out of my bum simultaneously, filling both my holes to the brim. The sensation was unbelievable, and as he fucked both holes faster and grabbed my hair to pull me back even harder, I knew I couldn't hold back much longer.

Sounding like someone in a porn scene, I came really hard, screaming as my juices gushed out around his member. He kept on going, though, and he came again soon after, pulling out at the last minute so he could spray his load all over my arse and back.

Unfortunately, other people still had to get their parcels delivered that afternoon, so I reluctantly let him go, after we'd cleaned up! We've seen each other a couple of times since when he's had parcels for me, and I always invite him in for more of the same, and I liked the fact that I didn't even know his name! I do now – because we've moved it onto the next level – we're planning on having a threesome with a fellow delivery guy.

I do feel a bit guilty for cheating on my partner, so I've been hoping to do something special for him. I'm thinking of another woman to join us!

True Con

What are friends for, if not ramming your cock up their cute wife in their lounge?

Bill and I have been mates for years now, and it's always freaked me out a bit that his wife, Rachel, flirts so openly with me. Not that I'm complaining, as I've always fancied the arse off her – she's got a great figure and is, quite frankly, fit as fuck.

One night last month, Bill and I were at his place watching the footie when she came in and sat in the armchair directly opposite me. She had on a denim mini-skirt and a top that was struggling to stay up – she kept having to tug it back up every few minutes. Bill didn't bat an eyelid when Rachel uncrossed her legs and sat with her thighs wide open, her slit pointing directly towards me. She had no knickers on and I could see her shaven cunt quite clearly.

I looked at Bill and then at Rachel. I couldn't quite believe what was happening – flirting was one thing, but this was something different altogether! She parted her legs a bit further and began to stroke her clit. "My pussy needs a bit of attention," she drawled. My cock was getting hard just watching her and I was absolutely dying to fuck her.

Again, I looked at Bill, who simply shrugged and told for me to go for it. I didn't need telling twice – I quickly got up and went over to Rachel, lifted her arms in the air and pulled the top off. I took her gorgeous tits in my hands and squeezed them, something I'd been dying to do since I'd first met her.

I could tell straightaway that she'd wanted this for ages, too, her tongue darting in and out of my mouth with amazing speed and force. Her hands were groping around my arse, squeezing my cheeks and I returned the favour, enjoying how firm her rounded buttocks felt.

"I pumped away at his wife's tight juicy hole"

I broke free from her kisses and moved my hands down to her thighs before plunging my head between her cleavage, licking right down the gap between them. Rather than kissing and caressing her breasts with my tongue, I sucked huge great mouthfuls of her boob flesh into my gob. Her body shook with pleasure as I ravaged her chest.

"Fuck her," shouted Bill from the sofa, reminding me that he was there, too.

I fingered Rachel's cunt to see if she was

lubricated enough for me to fuck her. She was soaking wet and definitely ready for me.

"Shove it up her," Bill urged, so I turned and looked back at him. He was wanking himself furiously, as he got off on the sight of me doing his missus.

Rachel began to undo my flies. I lifted her skirt up around her waist and got her to lie down on the carpet. I pulled down my boxer shorts and wasted no time in positioning myself between her legs. Her cunt was soaking wet already and my cock slipped in easily. She gasped and moaned, her eyes closed, as I pumped away at her tight, juicy hole, her arms gripped my back tightly and wrapped her thighs around my waist, pulling me in closer.

"Fuck her harder," shouted Bill, wanking himself even faster as he said it. I did like he suggested and upped the tempo. My arse was really pumping up and down as my cock shot in and out of her pussy.

fessions!

Her huge tits wobbled in time and as my body rubbed against hers, I could feel her chunky nipples pressing into my chest.

Her fingernails began to dig deep into my shoulders and her thighs gripped even tighter around my body. She was groaning and wailing like she'd never known pleasure like it. I could still hear Bill whacking off on the sofa, his heavy breathing was almost as loud as Rachel's moans and groans.

> **"She moaned as her hot twat swallowed my jizz"**

I slammed into Rachel's pussy with as much force as I could muster, which made her scream even louder. Suddenly, and before I could stop myself, I shot my load deep inside her cunt.

Masses of spunk came spurting out of my cock, filling her to the brim, but still I kept on screwing her. Rachel moaned with ecstasy as her twat swallowed up my juices. I could feel her pussy muscles tense up as she came, the fullness of her spunky cunt having sent her over the edge.

Finally, out of breath, I stopped fucking her. She kissed me full on the mouth, her warm tongue snaking its way between my lips. I withdrew my cock from her and looked at her wet snatch, the lips now red and puffy from the pummelling it had just received.

I'd had enough. Fully satisfied, I sat down on the armchair and watched as Bill stood up went over to where his wife was still lying and wanked himself off to orgasm, shooting his load all over her cute little tits as she played with her clit.

She writhed in ecstasy as his jizz covered her and she rubbed it into her tits, pinching her nipples, which were now slippery from his goo. She frigged away at herself furiously and her body jolted and quivered as she came again.

She seemed quite oblivious of the fact that she was lying stark naked on the floor with her husband and his best mate watching her frig herself off.

There's another match that I want to see on TV in a couple of weeks and I'll be taking a few beers round to Bill's to watch it.

Bill's not actually going to be there, though – he told me he's working away for a couple of weeks and he's worried about his wife being left alone.

He says that he doesn't give a fuck what happens between her and me while he's away, just so long as I get it down on his camcorder for him to watch and wank over when he's back. Now that's what friends are really for!

One In The Ink...

Time was virtually the only XXX movies you'd see tattoos in was in 'alt-porn' titles or pretty grim amateur grot. Nowadays, you're hard pushed to find a fuckbunny without ink. Here's a celebration of our favourite tattooed laydees...

Delta White

Watford-born Delta White had to be the first on our list. Not just because she's one of the hottest British babes around and a dirty bitch to boot (which she is), but also because she has an impressive 21 tattoos to date. Yes, from the name 'Sasha' on her ring finger and a vine on her neck, to an angel on her shoulder and a sexy pin-up in fishnets above the word 'porn' on her forearm, Ms. White has got it – and herself – pretty well covered. In her four year career, she's featured in nearly 60 movies including Harmony Films' *Glory Hole Gaggers* and Relish Films' *MILF Magic 2*, both of which are well worth a wank. With her five foot frame, white-blonde hair and lips that were made for blowjobs, Ms. White is any red-blooded male's wet dream. But that wasn't enough for insatiable Delta and she boosted her assets to an eye-watering G cup last year. We're not sure if boob jobs are as addictive as tattoos, but we're going to keep an eye on both, just in case! To keep your own eye on Delta's bodywork, visit http://twitter.com/Deltawhitexxx

Sophia Santi

At 5'9" with natural 36D-25-38 curves and a beautiful olive complexion, Canadian honey Sophia Santi could easily be mistaken for a supermodel, which makes it all the more erotic to see her filthy on-screen antics. Having started out in the adult biz in 2002 – using the alias Natalia Cruz – she was named as Penthouse Pet of the Month, going on to star in hardcore lesbian flicks a year later. Then, in 2005, she was voted as runner up for Penthouse Pet of the Year, changed her name to Sophia Santi, signed a three year contract with US giants Digital Playground and the rest, as they say, is history! Since then, she's made some truly wankworthy porn and has, unsurprisingly, won awards for Best All-Girl Sex Scene on three separate occasions. 2011 saw the release of her directorial debut, *Sophia Santi's Black Addicktion*, and yes, she does still perform in it! Although she's only been handling cocks on film since 2009, she certainly ain't shy, having been quoted as saying, "the craziest thing I've done in my career was a gangbang with five guys and I loved it!" and my own personal fave, "I need a man who can choke me until I pass out during sex and throw me around." Definitely our sort of girl! Tattoo-wise, she began a beautiful Japanese dragon back-piece at 18, which she has added to over the years (including the word 'imagine' in Hiragana script), bringing the artwork down around her lower abdomen. Add a butterfly to her stomach and you have one gorgeous painted lady! Watch her in Digital Playground's *Sophia Santi: Scream* or Wicked Pictures' *Speed*, follow her at http://twitter.com/sophia_santi and check out her new stuff at www.sophiasantixxx.com

Angelina Valentine

She may only be a petite 5'4", but Angelina Valentine certainly ain't your cutesy girl-next-door type of porn star! With her tattoos into double figures (including 'LA' behind her ear, a big topless geisha and half sleeve on her left arm), this 25-year-old vixen took the adult world by storm when she first began to appear in fuck-flicks back in 2007, and has continued to suck and fuck her way to the top. Hailing from Kentucky, USA, she has already been nominated for five industry awards, winning the XRCO Deep Throat Award in 2009, telling you everything you need to know about this talented hottie. She also holds the title of being the first female cisgender porn star to work with transsexual starlet Kimber James, showing her tastes to be varied and

NEXT ISSUE

uninhibited. In 2007, she enhanced her already curvy 34B-24-35 figure to 34D and then did so again in 2009, finally satisfied with a whopping 34DD bust, which we haven't stopped wanking over since. Speaking of which, we'd recommend *American Dad XXX: An Exquisite Films Parody*, Evil Angel's *Buttsex Nymphos* and *Lex the Impaler 7* by Jules Jordan Video, all of which show Ms. Valentine at her filthy best. And keep up with this mucky minx at http://angelinavalentine.com and http://twitter.com/angelinavalen

Joanna Angel

Born in Brooklyn on Christmas day, sexy punk Joanna Angel really is the ultimate 'alt-porn gal'. Having been in the industry for six years, the smart cookie went on to start her own company, Burning Angel, using it as a platform for her directing. With her tight 34C-24-34 physique, she instantly gained a loyal fan base and has gone on to become a mainstream star. To date, she's appeared in over 100 titles and directed nearly 50, surely making her one of the busiest porn businesswomen around. And she's won seven awards, making her one of the most successful, too. Ms. Angel has at least 11 tattoos (she was unavailable for verification), including a big angel and devil piece on her back, a Venus flytrap on her lower right arm and a female skull with XXX in bones underneath on her right bicep, and we're just waiting to see what she has done next. As the five foot porn pixie is quoted as saying, her "fave masturbation material is Burning Angel's *Cum on My Tattoo 3*" and Vouyer Media's imaginatively-titled *Joanna's Angels 3* is one of our faves. Go on; follow this horny honey at www.joannaangel.com, http://twitter.com/JoannaAngel and www.burningangel.com
